

Re: 'Provision of Covid19 Sanitary Risk Assessment Training for
Medical and Laboratory Facilities'
Date of Clarification: March 5, 2021
Clarification: No.1

The International Science and Technology Center has received the following questions and requests for clarification related to the Tender Notice above, and in this connection provides the followings answers:

	Question	Response
1	It is allowed to send (to tender@istc.int) the requested documentation through two (or more) numerated e-mails or, otherwise, the electronic submission must be done in a single e-mail?	ISTC mailbox for tenders has a 20MB size limit. Larger emails can be submitted in multiple numerated emails. The bidders may also share the password-protected files via Google Drive.
2	Do the ISTC have an indicative budget allocated to this tender?	The indicative budget will not be disclosed under this tender. ISTC is looking for the best competitive price for decent services under this tender. The bidders are expected to estimate how many days are required to provide training for the number of trainees of a number of countries.
