Result for Tender –

‘PROVISION OF BASIC BIOSAFETY AND BIOSECURITY TRAINING TO VARIOUS GROUPS OF LAW ENFORCEMENT / EMERGENCY RESPONSE STAFF’

The International Science and Technology Center (ISTC) is an intergovernmental organization with the status of a diplomatic mission, headquartered in Nur-Sultan, Kazakhstan. The ISTC connects scientists from Kazakhstan, Armenia, Tajikistan, Kyrgyzstan, and Georgia.

The ISTC is currently carrying out Projects aimed at the provision of training support in the context of the ongoing COVID-19 crisis to experts from the participating countries.

The ISTC invited a potential supplier to submit a tender for the provision of training support and we received five bids from:

- Fondazione Formit, Rome, Italy
- Integrated Quality Laboratory Services (IQLS), Villeurbanne, France
- Louisiana State University, Baton Rouge, Louisiana, USA
- Sustainable Criminal Justice Solutions Europe (SCJS), Brussels, Belgium
- Thin Blue Line International Association, Genève, Switzerland

The ISTC has awarded the contract to Thin Blue Line International Association for a total amount of \$82,106.50 based on the result of tender procedures.
